Overall Score:
400

Overall Performance Level:
Intermediate English Learner

What does my child’s score mean?

Andover recently took the Initial ELPAC, which identifies students who need help learning English. Based on the results, Andover has **intermediate** English skills and needs some help using English in school. Andover will take the Summative ELPAC this spring, which measures the student’s progress in developing English skills. If you have questions about your child’s ELPAC results, please contact your child’s school for more information.

What Is and Why Do We Administer the Initial ELPAC?

This assessment is administered to students who speak a language other than English at home. The Initial ELPAC measures how much English a student knows and determines what support, if any, the student needs to succeed in school while receiving instruction in all school subjects.
